As a mark of tribute to the contribution made by teachers to the society, Fast Rent A Car region's leading vehicle rental company has recently announced special rates exclusively for teachers.

Starting in mid-August, teachers across the region will be able to choose car-rental services at budget-friendly prices. The company has rolled out exclusive rental plans in two options - mini lease for 10 months and a special monthly promo. The offer is valid on an eclectic range of cars ranging from Mitsubishi Attrage, Hyundai Accent, Nissan Tiida and Toyota Camry, Kia Sportage to Hyundai Tucson and Mitsubishi Pajero. Apart from assigning dedicated lease coordinator to attend to teachers during this offer; Fast Rent A Car has also announced extension of its pick up services from major airports like Dubai, Abu Dhabi and Sharjah.

Keeping in mind a hassle-free commute to their respective schools – Group CEO Ahmed Abood Al Baosy said; “We have always heard of ‘Back to School’ offers for students and kids but we thought it necessary to pay heed to the essential groundwork that even teachers need to do to get back to school. Ours is a very small endeavor to make their ‘Back to School’ routine a pleasurable experience.”

Bearing in mind their action-packed schedules and time-constraints to adhere by; the company's Western Region branch has introduced ‘car replacement facility’ for teachers where they will not have to drive back to Abu Dhabi just to replace or change their cars.

Fast Rent A Car is expecting over 400+ teachers to avail of this 10-month lease offer across the UAE. Currently Fast Rent A Car has tied up with schools like Ajyal International School, The International School of Choueifat (Khalifa City & Yas Island), Al Shohub School, Virginia International School and Emirates National School in Abu Dhabi. Going forward the company intends to extend this service to include more number of schools in major emirates like Dubai, Ras Al Khaimah, Al Ain and Sharjah; to name a few.
